It has been accepted for inclusion in AMCIS 2009 Proceedings by an authorized administrator of AIS Electronic Library (AISeL). For more information, please contact elibrary@aisnet.org.

**AMCIS 2009
Invited Panel**

IS in Today's Business School Curriculum

Moderator: Nancy Hayes, Dean, College of Business, San Francisco State University

A panel of business school deans will discuss the role of information systems curricula in today's business school degree programs. How prominent a role does information systems play and what should that role be?
